

LP SMARTSIDE

If you're looking for Premium siding look no further. LP Smartside is one of the strongest and most durable siding on the market. With authentic wood looks and versatile designs LP Smartside gives you the high end finish at a moderate price.

Stained Wood Look

LP Smartside offers multi-toned painted options that mimic the look of stained wood. Truly a delight for an accent on any project.

New Construction Dream

Diamond Kote LP Smartside offers an exclusive Rigidstack system allowing for a quicker and easier install. A self locking and leveling spline in the back of the board sets your reveal for you. No more extra gauges and hands needed.

Timeless

With LP Smartside's 8" cedar grain lap you get the traditional look of cedar siding without the maintenance.

Black is Beautiful

Today everyone wants black. Black roof, black windows, black siding. Look no further, LP Smartside offers an array of black siding to fit your desire.

LP Trifecta

LP Smartside offers you all 3 major siding styles. Lap, Board and Batten, and Shake.

No Colors Left Behind

With over 4 dozen readily available colors LP Smartside has all your desires covered. If there happens to not be a color you like, make it custom. With our pre finishers we can get you any color under the sun.
